I do hereby agree to accept all responsibility and to hold harmless the LEWES YACHT CLUB and its Agents and/or Employees from any and all damages and/or loss while the boat and/or boat equipment which I own, is located on its property either on or off a dolly, and/or on or attached to a rack that I rent from the LEWES YACHT CLUB.

I/We further agree that I will maintain the boat in a secured position. If secured with a lock, I agree to give the LYC Sailing School a key or a combination to be kept on the property to be used in case of emergency.

I/We further agree to hold harmless the LEWES YACHT CLUB for any damages or loss sustained due to third party actions and/or due to high winds, high tides, any other acts of God or if the boat is damaged or stolen while on Lewes Yacht Club property.

As to boat equipment stored in the sailboxes, I/we further agree to hold the LEWES YACHT CLUB harmless and free of liability for any damage or stolen equipment.

If I/we have a seasonal rental I agree to remove my boats by Labor Day as the racks will be removed by LEWES YACHT CLUB after that date.
